DENOX 2.1

#### Alles spricht für DENOX-Filter von Bosch:

- langjährige Erfahrung mit AdBlue, der Filter passt perfekt zum Denoxtronic-System
- Hochwertige Materialien, die besonders resistent gegen das aggressive AdBlue sind – für sicheren Schutz des Denoxtronic-Systems
- regelmäßiger Filterwechsel gewährleistet die exakte Dosierung von AdBlue und damit die Einhaltung der EU-Abgasnormen

#### Strong arguments for Bosch DENOX filters:

- Years of experience with AdBlue; the filter is perfectly compatible with the Denoxtronic system
- High-quality materials offering exceptional resistance against the aggressive AdBlue – for a reliable protection of the Denoxtronic system
- regular filter replacement guarantees precise metering of AdBlue and thus compliance with EU emission standards

#### Des arguments forts pour les filtres DENOX de Bosch:

- une forte et longue expérience l'AdBlue, le filtre convient parfaitement au système Denoxtronic
- des matériaux de grande qualité résistant particulièrement bien à l'agressivité de la solution AdBlue assurent la protection fiable du système Denoxtronic
- le changement régulier du filtre garantit le dosage exact de la solution AdBlue et ainsi le respect des normes UE en matière de gaz d'échappement

#### Sono tanti i motivi per scegliere i filtri DENOX di Bosch:

- Esperienza pluriennale con AdBlue, il filtro si adatta perfettamente al sistema Denoxtronic
- Materiali di alta qualità, particolarmente resistenti all'aggressività dell'AdBlue - a garanzia di una protezione totale del sistema Denoxtronic
- La sostituzione ad intervalli regolari del filtro garantisce il dosaggio preciso di AdBlue e quindi il rispetto delle norme antinquinamento dell'UE

#### Argumentos a favor del filtro DENOX de Bosch:

- Muchos años de experiencia con AdBlue, el filtro es perfectamente adecuado para el sistema Denoxtronic
- Materiales de gran calidad especialmente resistentes al agresivo AdBlue – para una protección segura del sistema Denoxtronic
- Un cambio regular del filtro garantiza una dosificación exacta de AdBlue y, con ello, el respeto de las normas de gases de escape de la UE

**Wszystko przemawia  
za filtrami DENOX  
firmy Bosch:**

- długoletnie doświadczenie w zakresie stosowania AdBlue, filtr pasuje doskonale do systemu Denoxtronic;
- wysokogatunkowe materiały, szczególnie odporne na agresywny chemicznie dodatek AdBlue, zapewniają właściwą ochronę systemu Denoxtronic;
- regularna wymiana filtra zapewnia dokładne dawkowanie dodatku AdBlue, a tym samym spełnienie europejskich norm czystości spalin.

- x Rücklaufsperre/Umgehungsventil eingebaut, jedoch Druck nicht bekannt.  
 Integrated check valve/bypass valve, but pressure not defined.  
 Clapet anti-retour intégré/soupape de dérivation, mais seuil de pression inconnu.  
 Valvola antiritorno incorporata/valvola di bypass, pressione non nota.  
 Bloqueo de retorno incorporado/valvula de derivación, pero presión desconocida.  
 Terugstroomblokkering ingebouwd/bypascklep, maar druk niet bekend.  
 Inbyggd returspär/förbilsendigsventil, men trycket obekant.  
 Zpětný ventil je vestavěn/obtok. ventilu, tlak však není definován.  
 Zamontowany zawór jednokierunkowy/zaworu obejściowego, ale nie określono ciśnienia.  
 Блокировка обратного потока установлена/перепускного клапана, но давление неизвестно.

- x Rücklaufsperr-/Umgehungsventil eingebaut, jedoch Druck nicht bekannt.  
Integrated check valve/bypass valve, but pressure not defined.  
Clapet anti-retour intégré/soupape de dérivation, mais seuil de pression inconnu.  
Valvola antiritorno incorporata/valvola di bypass, pressione non nota.  
Bloqueo de retorno incorporado/valvula de derivación, pero presión desconocida.  
Terugstroomblokkering ingebouwd/bypasklep, maar druk niet bekend.  
Inbyggd returspärr/förbilendingsventil, men trycket obekant.  
Zpětný ventil je vestavěn/obtok. ventilu, tlak však není definován.  
Zamontowany zawór jednokierunkowy/zaworu obejściowego, ale nie określono ciśnienia.  
Блокировка обратного потока установлена/перепускного клапана, но давление неизвестно.

| In diesem Katalog sind die Daten von Fahrzeugen, Motoren und Geräten für den europäischen Markt von Baujahr 1996 bis einschließlich 2016 erfasst. Diese wurden aus Hersteller- und Importeurangaben, aus Fahrzeuguntersuchungen sowie aus Unterlagen von Bosch nach bestem Wissen sorgfältig zusammengestellt und geben den Stand zum Zeitpunkt der Drucklegung wieder.                                                                                                                                                                                                                             | This catalog contains the data from the vehicles, engines, and equipment for the European market from year of manufacture 1996 up to and including the year 2016. This data has been assembled from information provided by manufacturers and importers, and taken from Bosch documentation, as well as from investigations made on vehicles. It has been compiled to the best of our knowledge and belief, and reflects the status at the date of going to print.                    | Le présent catalogue mentionne les données spécifiques de véhicules, moteurs et appareils pour le marché européen depuis l'année de fabrication 1996 jusqu'au millésime 2016 inclus. Ces informations ont été rassemblées soigneusement et en toute impartialité à partir des indications des constructeurs et importateurs, des contrôles techniques des véhicules et de la documentation Bosch, et matérialisent le stade des connaissances au moment de la mise sous presse.                                                                           | Nella seguente parte di catalogo sono contemplati veicoli, motori ed apparecchi a partire dall'anno di costruzione 1996 fino all'anno 2016. Tali informazioni sono state rilevate dalle documentazioni di Case Auto, Importatori, da verifiche eseguite sui veicoli, così come da documentazione Bosch.                                                                                                                                                                                                                                                                    | Los datos de este catálogo para vehículos, motores y utensilios del mercado europeo comprenden los años de construcción desde 1996 hasta 2016 inclusive. Éstos son creados para la edición indicada sobre la base de documentos de Bosch, exámenes o inspecciones de vehículos así como datos de fabricantes e importadores.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Zwangsläufige Abweichungen von länderspezifische technische Änderungen können nie ganz ausgeschlossen werden. Bosch kann daher insoweit nicht für die Vollständigkeit und Fehlerfreiheit der Daten haften. Für Irrtümer und Druckfehler, die zu Schäden am Eigentum oder Vermögen führen, haftet Bosch nur bei grob fahrlässiger Pflichtverletzung und bei Vorsatz für unmittelbare Schäden. Bei Personenschäden haftet Bosch auch bei leichter Fahrlässigkeit.                                                                                                                                     | Inevitable deviations due to country-specific technical changes can never be completely excluded. Therefore, Bosch in this respect cannot be responsible for the completeness and accuracy of the data. For mistakes and misprint, which lead to damage of property or fortune, Bosch is responsible only in case of grossly negligent violation of duties and in case of intention for direct damage. In case of personal injury, Bosch is also liable concerning slight negligence. | Des écarts inévitables ne peuvent jamais être complètement exclus en raison des différences spécifiques à chaque pays. Bosch ne peut donc pas à cet égard être tenu responsable de l'exactitude des données. Pour des erreurs et fautes d'impression, qui causeraient des dégâts matériels, Bosch est responsable seulement en cas de violation de ses obligations par faute lourde intentionnelle en ce qui concerne les dommages matériels. En cas de dommages corporels, Bosch peut être également tenu pour responsable dans les cas de faute légère. | Eventuali discordanze, dovute a variazioni delle caratteristiche tecniche per specifici Paesi, non possono essere contemplate. Bosch non potrà quindi essere considerata responsabile per mancanze o inesattezze dei dati. Per eventuali danni a cose o danni patrimoniali, dovuti ad errori o refusi di stampa, Bosch è responsabile solo in caso di dolo o colpa grave. In caso di danni alla persona, Bosch è responsabile anche in caso di colpa meno grave.                                                                                                           | Las diferentes especificaciones técnicas propias de cada país nunca pueden ser excluidas completamente. Por lo tanto, Bosch en este aspecto, no puede ser responsable de la absoluta exactitud de los datos. En el caso de errores, incluidos los de imprenta, que generen daños ó pérdidas de la propiedad o posesiones, Bosch es responsable únicamente en los casos de violación negligente de sus obligaciones y en el supuesto de intención o dolo para el daño directo. Bosch está también obligado a responder en casos de injurias personales por negligencia.                                                                                                                                                                                                                                                                                                                                                                                                                 |

| In deze catalogus zijn de gegevens van voertuigen, motoren en apparaten voor de Europese markt vanaf bouwjaar 1996 tot en met bouwjaar 2016 opgenomen. Deze zijn naar eer en geweten zorgvuldig samengesteld uit fabrikant- en importeursgegevens, voertuig-onderzoek alsmede informatie van Bosch en geven de stand op het tijdstip van publicatie weer.                                                                                                                                                                                                                                           | I denna katalog finns data angivna för fordon, motorer och apparater för den europeiska marknaden från årsmodell 1996 till och med 2016. Uppgifterna kommer från tillverkarna och importörerna, från fordonsundersökningar och från underlag från Bosch och är omsorgsfullt sammanställda enligt tillgänglig kunskap och anger läget vid tryckningstidpunkten.                                                                                                                        | V tomto katalogu jsou obsaženy údaje vozidel, motorů a přístrojů pro evropský trh od roku výroby 1996 do roku 2016 včetně. Tyto údaje byly pečlivě sestaveny podle nejlepšího vědomí z údajů výrobců a dovozců automobilů a zachycují stav k datu předání do tisku.                                                                                                                                                                                                                                                                                       | Katalog zawiera dane pojazdów, silników i urządzeń na rynek europejski od roku produkcji 1996 do 2016 włącznie. Zostały one starannie zestawione na podstawie danych producentów i importerów, badań pojazdów oraz dokumentacji firmy Bosch zgodnie z aktualnym stanem wiedzy w momencie oddania do druku.                                                                                                                                                                                                                                                                 | В настоящем каталоге приводятся данные по автомобилям, двигателям и прочему оборудованию на европейском рынке с 1996 по 2016 год выпуска включительно. Они были тщательно подобраны из информации, предоставленной производителями и импортерами, по результатам тестирования автомобилей, а также из документации компании Bosch и отражают состояние на момент подписания в печать. Неизбежные расхождения из-за специфических для каждой страны технических модификаций не могут быть полностью исключены. Поэтому компания Bosch не несет ответственность за полноту и точность предоставленных данных. В случае, если ошибки или опечатки привели к ущербу для собственности или повлекли материальные затраты, компания Bosch принимает на себя ответственность только если это является преднамеренным вредом или грубой небрежностью со стороны фирмы Bosch. Если пострадало физическое лицо, фирма Bosch несет ответственность даже при допущении незначительной небрежности. |
| Landspecifieke afwijkingen zijn echter onvermijdelijk en niet geheel uit te sluiten. Derhalve kan Bosch niet verantwoordelijk worden gehouden voor de volledigheid en het foutloos zijn van deze gegevens. Indien aperte onjuistheden of drukfouten leiden tot directe vermogensschade of directe schade aan eigendommen is Bosch slechts aansprakelijk in geval van grove nalatigheid of opzettelijk handelen. Indien aperte onjuistheden of drukfouten leiden tot letselschade is Bosch aansprakelijk in geval van toerekenbare tekortkoming, die zowel verwijtbaar is als voor haar risico komt. | I vissa länder kan specifika avvikelser förekomma p. g. a. tekniska ändringar varför Bosch ej kan hållas ansvarig för ej komplett information. Vid fel som leder till direkt skada på egendom eller fordon, kan Bosch hållas ansvarig endast om grov oaktsamhet kan påvisas. Vid personskador kan Bosch hållas ansvarig om vårdslöshet kan påvisas.                                                                                                                                   | Odchytky, způsobené technickými změnami specifickými pro některé země, není možné vyloučit. Proto nemůže firma Bosch ručit za úplnost a bezchybnost těchto údajů. Za omyly a chyby tisku, které by způsobily škodu na vlastnictví nebo majetku, ručí firma Bosch jen v případě hrubého a nedbalého porušení povinností a úmyslu bezprostřední škody. Pokud by měly za následek škody na zdraví osob, nese firma Bosch odpovědnost i v případě mírné nedbalosti.                                                                                           | W katalogu mogą występować różnice w stosunku do poszczególnych pojazdów w związku ze specyficznymi dla poszczególnych krajów wersjami wyposażenia i specyfikacji technicznej. Bosch nie ponosi odpowiedzialności za kompletność i dokładność danych. Za błędy i nieścisłości w druku, które mogą prowadzić do szkód mienia Bosch jest odpowiedzialny jedynie w przypadkach rażącego zaniedbania obowiązków oraz w przypadku bezpośredniego zamiaru spowodowania szkód. Bosch jest odpowiedzialny za uszkodzenia ciała jedynie w przypadkach zaniedbania z własnej strony. |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

① **Fabrikat**

Tillverkaren markerad i det grå fältet

② **Fordonsmodell**

Alfanumeriskt stigande

③ **Modelldetalj**

Speciella fordonskännetecken

④ **Slagvolym**

i l

⑤ **Motoreffekt**

i kW

⑥ **Motortyp**

Se speciell anteckning i fordonshandlingarna

⑦ **Exportland**

Gäller för speciella exportfordon

⑧ **Bildsymbolernas förklaring**

Se förklaring i slutet av katalogen.

⑨ **Filtertyper**⑩ **Ordernummer**

För efterbeställning för handeln

⑪ **Specialfall**

Se förklaring i slutet av katalogen.

⑫ **Fotnot**

Se förklaring i slutet av katalogen.

⑬ **Monteringsperiod**

Monteringsperiod för respektive produkt

① **Značka vozidla**

Zvýraznění výrobce šedým pruhem

② **Model vozidla**

Alfanumericky vzestupně

③ **Detail modelu**

Zvláštní charakteristiky vozidla

④ **Obsah motoru**

v litrech

⑤ **Výkon motoru**

v kW

⑥ **Typ motoru**

Viz speciální pokyny v dokladech vozidla

⑦ **Země exportu**

Platí jen pro speciální exportní vozidla

⑧ **Vysvětlení grafických značek**

Vysvětlení viz konec katalogu.

⑨ **Druhy filtrů**⑩ **Objednací číslo**

k doobjednání pro obchod

⑪ **Speciální případ**

Vysvětlení viz konec katalogu.

⑫ **Poznámka pod čarou**

Vysvětlení viz konec katalogu.

⑬ **Časový interval montáže**

Časový interval montáže příslušného produktu

① **Marka pojazdu**

producent podany na szarym tle

② **Model pojazdu**

alfanumerycznie, rosnąco

③ **Szczegóły modelu**

cechy szczególnie pojazdu

④ **Pojemność skokowa**

w l

⑤ **Moc silnika**

w kW

⑥ **Typ silnika**

patrz wskazówka w dokumentach pojazdu

⑦ **Kraj eksportu**

dotyczy tylko specjalnych pojazdów eksportowych

⑧ **Objaśnienie symboli**

Objaśnienie patrz koniec katalogu.

⑨ **Rodzaje filtrów**⑩ **Numer katalogowy**

do zamówień dla handlu

⑪ **Przypadek szczególny**

Objaśnienie patrz koniec katalogu.

⑫ **Przypis**

Objaśnienie patrz koniec katalogu.

⑬ **Okres montażu**

okres, w którym montowany był dany produkt

① **Марка автомобиля**

Выделение производителей серыми полосками

② **Модель автомобиля**

В алфавитно-цифровом порядке

③ **Особенность модели**

Особые характеристики автомобиля

④ **Объем двигателя**

в литрах

⑤ **Мощность двигателя**

в кВт

⑥ **Тип двигателя**

См. специальное указание в документах на автомобиль

⑦ **Страна-экспортер**

Действительно только для специальных экспортных автомобилей

⑧ **Разъяснение пиктограмм**

См. разъяснения в конце каталога.

⑨ **Виды фильтров**⑩ **Номер артикула**

Для оформления заказа см.

⑪ **Особые случаи**

См. разъяснения в конце каталога.

⑫ **Сноска**

См. разъяснения в конце каталога.

⑬ **Время установки**

Время установки соответствующего изделия
